

Enterprise Architect with German (Citrix) M/F

lokalizacja: Katowice (śląskie), PL Wrocław, PL Kraków, PL Poznań, PL Gdańsk, PL Lublin, PL Opole, PL (

numer referencyjny: 1197667/jobs.pl

forma zatrudnienia: Pełny etat

Your new company

For our client, we are looking for an Enterprise Architect with German.

Your new role

- Lead and manage the Citrix transformation and transition from small to large scale international implementations
- Be a technical architect for Citrix related solutions, including understanding and documenting the full Citrix architecture solution
- Be the primary point of contact for overall Citrix architecture and functionality
- Understand the ecosystem and potential impact of implemented change

Potential additional activities depending on your preferences:

- Provide business and technology architecture consultancy services to our clients
- Provide input to bids and assist in presenting proposals to potential clients
- Lead or support creation of innovative digital offers as complete enterprise solutions

What you'll need to succeed

- An experienced Architect, Senior Engineer or Consultant with proven thought leadership in technical implementations, development of best practices (3+ years of experience in Citrix VDI implementations, acting as an architect on minimum 2 full Citrix VDI implementations).
- Proven experience in architecting, building, and supporting complex implementations in enterprise scale Citrix VDI environments.
- Good communication, presentation, reporting
- Analytical mind and problem-solving abilities, able to define technical solutions aligned with client's business problems at a high and low level of detail.
- Able to present business cases, strategies and solutions.
- Fluent in English and German both spoken and written.

Technical knowledge:

- Design and deploy Citrix Cloud and Citrix security analytics
- Understanding of cybersecurity, end point security and mobile device security
- Experience with Azure Virtual Desktop both native and in hybrid with Citrix is a plus
- Experience with Windows 365 is a plus
- Experience with automation (PowerShell, Terraform) is a plus
- Virtual Apps and Desktops Service on Citrix Cloud Certified (CC-VAD-CC) is a plus
- Citrix Certified Professional or Expert - Virtualization is a plus
