

For our client we are looking for

1. PVC Window Frame Production Worker

Production of PVC window frames from profile to finished frame with glass installed. Machine operation and assembly work in a modern production environment.

2. Hardware Assembly Worker

Installation and assembly of window hardware, locks, hinges and fittings on finished PVC window frames. Quality-focused assembly work in a production environment.

PVC Window Frame Production Worker

Miejsce pracy: Enschede (Holandia) **Nr ref:** jobs.pl

We offer:

- Gross hourly wage: €16.15 - Overtime (Monday-Friday): 125% | €20.19
- Saturday: 150% | €24.15
- Weekly salary: €646.00 regular hours + €161.52 overtime = €807.52 gross
- Estimated net salary: €670.00 before housing and insurance costs, based on a 5-day work week.
- Saturday work: an additional €193.20 gross per day.

What can you expect:

- Stable full-time work in a modern production environment, with the possibility to learn the work internally. Long-term employment is possible.
- Approx. 45 - 48 hours per week. Work is planned for 9 or 9,5 hours per day, with possible Saturday work depending on the schedule.
- Monday to Friday, depending on planning and workload.
- Standard full-time schedule is 5 days per week; Saturday work may be required.
- Day shifts of approximately 9 hours per day. 07:00 - 17:00
- Summer break (3 weeks) Christmas break (2 weeks)

Language skills:

- Dutch English and German are relevant for communication. Dutch, German or English language skills are accepted for the worker.

Other information:

- Accommodation through Marquette, depending on availability
- Driver's license is required. Travel to work is by car.
- Work takes place in a modern production environment. The work requires accuracy, quality awareness and a willingness to perform physical work. For safety reasons, a minimum

height of 1.70m is required.

Workers profile:

- Full-time production worker with experience or affinity with general technical work. Experience may be professional or private, for example someone who is handy, likes repairing or building things, has technical insight and is motivated to learn. The candidate must be accurate, responsible, quality-conscious and physically fit. Minimum height: 1.70 m.
- Dutch, German or English is required. English and/or Polish communication is preferred for practical coordination.
- ~~Technical insight, practical hands-on experience and accuracy are important. Experience in a technical production environment is preferred, but not required. Machine operating experience is a plus; programming knowledge is not required.~~
Wyrażam zgodę na przetwarzanie moich danych osobowych dla potrzeb niezbędnych do realizacji procesu rekrutacji (zgodnie z ustawą z dnia 10 października 2002 roku o ochronie danych osobowych (Dz. Ustawy 133/2002, z późn. zmianami), zgodnie z Rozporządzeniem Parlamentu Europejskiego i Rady (UE) 2016/679 z dnia 27 kwietnia 2016 r. w sprawie ochrony osób fizycznych w związku z przetwarzaniem danych osobowych i w sprawie swobodnego przepływu takich danych oraz uchylenia dyrektywy 609/46/WE (RODO).
- No specific certificate needed. Technical experience or affinity is preferred.
- Driver's license is required
