For our client, we are seeking a Tax Analyst to support the UK Tax Manager and Italian Tax Specialist across corporate tax and VAT activities within a multinational environment. The role will focus on tax compliance and reporting while working closely with finance teams, external advisers and shared service providers.

Interim Tax Analyst

Nr ref.: 149/10/2026/RS/270913/jobs.pl Kraków (małopolskie)

What you can expect from us?

- Attractive salary.
- Private medical care and life insurance.
- Opportunities for professional growth in an international environment.
- Temporary employment contract for 3 months with the possibility of extension.

Employment agency entry number 47

this job offer is intended for people over 18 years of age

What will your tasks involve?

- Prepare and support corporate tax compliance, including analysis of capital allowances, R&D, transfer pricing, anti-hybrid and CFC matters.
- Support tax accounting activities, including tax provisions, reconciliations, journal postings and reporting.
- Prepare tax reporting schedules, including GAAP-to-GAAP and GAAP-to-Tax reconciliations.
- Manage VAT compliance activities, including VAT returns, reconciliations, Intrastat reporting and VAT queries.
- Liaise with external advisers, auditors, finance teams and shared service providers to ensure accurate and timely tax reporting.
- Support tax audits, governance activities and tax administration, including tax residency certificates, withholding tax documentation and purchase orders.
- Drive continuous improvement of tax processes, controls and reporting.

What we expect from you?

- Degree in Accounting, Finance, Tax or related discipline.
- 3-5 years of experience in tax, finance or accounting within a multinational environment.
- Fluency in English both written and spoken is essential.
- Strong analytical and Excel skills.
- Exposure to major ERP system, preferably SAP R3.
- Big 4 and/or in-house tax experience advantageous.
- Working knowledge of Local GAAP and US GAAP reporting gained in a multinational company would be an asset.
